

1. Match the name of the ingredients with their picture

Flour

sugar

salt

baking powder

Milk

butter

sprinkles

vanilla

Cup

microwave

Put the recipe in the correct order

Decorate as you like

First, add the dry ingredients to a cup; flour, sugar, baking powder, and salt.

Microwave for 70-90 seconds.

Finally! Enjoy your cake!

Second, stir in the wet ingredients: milk, melted butter, egg, and vanilla. Add sprinkles, if desired.

Carefully Remove from the microwave
