

4. Let's Listen

Task 1

Listen to people describing a health problem to a friend. What phrase completes each statement? Circle the correct answer.

- Lately, she _____.
 - easily falls asleep
 - can't fall asleep
 - sleeps all night
- Lately, he doesn't _____.
 - take any vitamins
 - feel tired
 - have any energy
- She gets very bad _____.
 - backaches
 - headaches
 - pains in her eyes
- He's getting a lot of _____ this year.
 - toothaches
 - stomachaches
 - colds

Task 2

Listen again. Circle what the friend suggests for each problem.

- get something from the drug store
 - get up and do something
 - take sleeping pills
- get more sleep
 - see the doctor
 - take vitamins
- buy a new computer
 - sit in a different way
 - stop using the computer
- take vitamin C
 - go to the doctor
 - get more exercise
