**Managing Creativity in Your Business**

Managing creative staff is a difficult task. They have creativity and **31** ....., so they need freedom. In the past, in factories, **32** ..... was vital for making a high-quality product. Nowadays, we hire staff to create new products and find new customers. But their new ideas must be **33** ..... if we want to make money from them. A standard method for managing staff is setting **34** ..... targets, related to profits, products or new clients. This method has some problems, because staff might be dishonest or break the law so that they can meet the company goals. These goals are often tied in to **35** ..... and this can make the problem worse.

**Questions 36–40**

Complete the table below.

Write **NO MORE THAN TWO WORDS** for each answer.

<b>Robert Simons' Three 36</b> .....
