Most people know that bullying is wrong. The results of bullying (verbally or physically) might grow and appear over time, damaging a person in profound ways for the long term.

Write an essay in which you develop three **or** four negative **effects** of bullying and helpful ways to prevent it.

**Fill in the following graphic organizer first.**

## Introduction:

1. **Hook** *( a fact about bullying – a short personal story- a general statement… etc.)*

2. **Thesis statement** *( ex: Bullying has damaging effects on students'* _____ *,* _____ *and* _____ *. )*
