The Christmas Sweater

You poured the brandy, baby, dressed the _____
I got the table looking Christmassy
Wrapped up _____, lit all the lights up, it's true

What can be wrong with all this right?
Somebody's light is not so _____
One thing here could use some cheer, and that's you

Ah, because everyone you know and everyone you don't
Are wearing _____ sweaters, so it's crazy that you won't

Ah, put your Christmas sweater on, it's got to be done
The uglier, the _____, hun, don't be the only one
You'll light up everybody's faces
And babe, you know the time has come
(_____ on, come on, come on)
Play along, play along and get your Christmas _____ on

It doesn't matter if you don't _____ cool
Everybody's following the Christmas rule
Remember _____, forget everything that you know

Oh, well, you gotta try to put your pride on pause
Show a little _____ or some Santa Claus
Ain't no hiding, time has come to go

To get your _____, baby, 'cause I just can't wait
So come and join the party now before it gets too _____, yeah

Ah, put your Christmas sweater on, it's got to be done
The uglier, the _____, hun, don't be the only one
You'll light up everybody's faces
And babe, you know the time has come
(_____ on, come on, come on)
Play along, play along and get your Christmas _____ on

Oh, let's _____!
