

Visit a marine park

"Expensive but interesting"

Sol Marine Park was good, but there were too many people. We loved feeding the dolphins, and we learned very interesting facts about sea animals, but it was very expensive. **Sara**

"Great day out!"

We had a great time at Sol Marine Park! We are going to come again next week. The animals were very friendly, and the souvenir shop was really good. **AlSuwaidi family**

"Don't do it!"

It was too expensive and there were too many people. The only good thing was the dolphins, but we had to pay extra to see them. Don't go to Sol Marine Park! **Ahmed**
