Casbah Café: The best coffee and snacks in town!

Do you hang out at cafés with your friends? [1] At the Casbah, you'll get fresh, tasty food and fantastic Italian coffee for less!

The Casbah only opened a few weeks ago at Mount Austin, but it has already become extremely popular. And I can see why. I ordered a sandwich with juicy red tomatoes, creamy white mozzarella cheese and delicious pesto sauce. [2] I had a strong black coffee to drink and it was full of flavour.

You'll love the Casbah. There are trendy, colourful pictures on the walls and lovely, fresh flowers on the tables. [3] The waiters were very friendly and helpful. [4] The service was quick, even though the place was full of customers. [5] There was a lot to choose from on the menu and it was really cheap.

The delicious food and drinks, good prices and welcoming atmosphere make the Casbah Café the hottest place in town. [6]
