I **always** get up at 6:00 am because I start work at 7:00. I'm an English teacher and I work at Coordinación del Departamento de Idiomas. I study French at 8:00 am everyday. I have breakfast and I **usually** exercise at 10:00 am, I **never** go to the gym, I work out at home. After doing exercise, I take a shower, prepare my classes and do the housework. I continue working online from 1:00 to 6:00 pm. I **often** cook and have lunch at 3:00 p.m.

I **usually** read at night. I love books! I **hardly ever** go to the cinema because I prefer watching movies at home. I **sometimes** write articles for journals or design in the computer. I **often** take online dance classes, my instructor is Mexican, but she lives in Canada, she's a great dancer! I love dancing salsa and bachata!
