

A. Work in small groups. Complete the descriptions of each college with the correct form of the modals of necessity.

#### Free College

We believe that you <sup>1</sup> \_\_\_\_\_ (have to / be) a great student to be successful at our college. It is important that you develop all your skills, including social and physical skills, so you <sup>2</sup> \_\_\_\_\_ (need to / have) a strong character and believe in yourself. You <sup>3</sup> \_\_\_\_\_ (need to / have) a very high level of English because we have an academic English program here and provide a lot of help. However, you <sup>4</sup> \_\_\_\_\_ (must / go) to these English classes as you <sup>5</sup> \_\_\_\_\_ (have to / do) your final research project in English.

#### The International College

All our subjects are in English, so you <sup>6</sup> \_\_\_\_\_ (have to / know) English very well. Therefore, students <sup>7</sup> \_\_\_\_\_ (must / pass) our own English test to enter the college. The system is very strict and you <sup>8</sup> \_\_\_\_\_ (have to / attend) at least 90 percent of the classes to pass. Students also <sup>9</sup> \_\_\_\_\_ (need to / study) another foreign language because we believe that languages connect people, and you <sup>10</sup> \_\_\_\_\_ (must / be) able to speak to people in their own language.
