I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms

If I _____see it, then I_____ do it
If I just believe it, there's nothing to it

I believe I can_____
I believe I can touch the _____
I think about it every night and _____
Spread my wings and fly away
I believe I can soar
I see me running through that open_____
I believe I can _____
I believe I can _____
I believe I can _____

See I was on the verge of breaking down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me

If I can _____ it, then I can _____ it
If I just believe it, there's nothing to it

I believe I can_____
I believe I can touch the _____
I think about it every night and _____
Spread my wings and fly away
I believe I can soar
I see me running through that open _____
I believe I can _____
I believe I can _____
Oh, I believe I can _____

Hey, 'cause I believe in me
