

# Last Christmas

## Chorus

Last Christmas, I **give** / **gave** you my heart  
But the very next day, you **give** / **gave** it away  
This year, to save me from tears  
I'll give it to someone special

Once bitten and twice **shy** / **shake**  
I keep my distance  
But you still catch my **ear** / **eye**  
Tell me **maybe** / **baby**,  
**Do** / **Did** you recognize me?  
Well, it's been a **month** / **year**  
It doesn't surprise me

**Happy** / **Merry** Christmas, I wrapped it **up** / **out** and sent it  
With a note saying "I love you" I meant it  
Now I know what a fool I've been  
But if you kissed me now, I know you'd fool me **about** / **again**

## Chorus X2

A crowded room and friends with tired eyes  
I'm hiding from you and your soul of ice  
My God! I thought you were someone to rely on  
Me? I guess I was a shoulder to cry on  
But a face on a lover with a fire in his heart  
A girl undercover but you tore her apart  
Maybe this year, maybe this year  
I'll give it to someone special

## (Chorus)

And last Christmas  
And this year won't be anything like  
Anything like

## (Chorus)
