Hello, my friends!

My name is Carla.

I am from the USA.

I live with my mum, dad and my little brother in a small town.

We have got four seasons in my town.

We have got winter, spring, summer and autumn.

But in the USA we don't say autumn we say fall.

Winter is cold and snowy.

Spring is windy and summer is very hot.

My favourite season is autumn.

There are three months: September, October and November.

I have birthday in September.
