

Underneath the tree

Kelly Clarkson

You're here where you should be
Snow is falling as the sing
It just wasn't the same
..... on Christmas day
Presents, what a beautiful sight
Don't mean a thing if you ain't holding
me
You're all that I need
Underneath the tree

Tonight
I'm gonna you close
Make sure that you know
I was lost before you
Christmas was cold and grey
Another alone to celebrate
But then one day everything changed
You're all I need
Underneath the tree

alone
carolers
everything
hold
holiday
knocked
looking for
near
sight
tight

You're here where you should be
Snow is falling as the carolers sing
It just wasn't the same
Alone on Christmas day
Presents, what a beautiful
Don't mean a thing if you ain't holding
me tight
You're all that I need
Underneath the tree

I found what I was
A love that's meant for me
A heart that's mine completely
..... me right off my feet
And this year I will fall
With no worries at all
'Cause you are and
everything's clear
You're all I need
Underneath the tree

(chorus)

And then one day changed
You're all I need
Underneath the tree

(chorus)
