

## 1 Which question? Write where or when.

Every night  
Far  
In my dreams  
Between  
Near  
Here  
In my heart

## 2 Listen to the song and read out the lyrics.

Every night in my dreams  
I see you, I feel you  
That is how I know you go on

Far across the distance  
And spaces between us  
You have come to show you go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart  
And my heart will go on and on

Love can touch us one time  
And last for a lifetime  
And never let go till we're gone

Love was when I loved you  
One true time I hold to  
In my life we'll always go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart  
And my heart will go on and on

You're here, there's nothing I fear  
And I know that my heart will go on  
We'll stay forever this way  
You are safe in my heart  
And my heart will go on and on
