

UNIT #5 – GRAMMAR #1 SECTION PRACTICE

NAME: \_\_\_\_\_ DATE: \_\_\_\_\_

**Irregular comparatives and superlatives**

My cooking is	<b>good.</b>	<b>bad.</b>	
Volleyball is	<b>better</b>	<b>worse</b>	<b>than</b> basketball.
Green peppers are	<b>the best</b>	<b>the worst</b>	pizza topping.

The words *good* and *bad* have different comparative and superlative forms.

**1 Read.** Circle the correct word.

I think my dog Rover is the **best / better** dog in the world! He's my **worst / best** friend. He's smarter than other dogs. He's also **worse / good** at swimming. Rover can swim across the river, no problem! He loves playing ball. He's **better / the worst** at catching than I am. He's faster, too.

But sometimes Rover can be **the best / bad**.

He loves eating my shoes! This is not a **good / better** thing. Now my shoes look **the worse / the worst** of all the students in my class. Rover may do **bad / worst** things, but I still think that he's the **better / best** pet!

**2 Read.** Complete the sentences.

1. Tanya is the worst friend of all. I fell off my bike, and she didn't even help me!
2. Today I'm really sick. I feel \_\_\_\_\_ than I did yesterday.
3. I'm \_\_\_\_\_ at playing video games than my dad. He's not very good.
4. Baseball is \_\_\_\_\_ sport in the world. It's so fun!
5. \_\_\_\_\_ thing about onions is that they make you cry.

**3 Look at one student's opinions.** Then write comparisons.

<b>sports</b>	soccer	basketball	baseball
<b>food</b>	chocolate ice cream	tomato soup	onions
<b>pets</b>	dog	hamster	goldfish
