

Writing a Postcard

TASK: You are on holiday in the mountains. Write a postcard to your foreign friend and tell him/her:

- where you are
- what you did yesterday
- what you are going to do for the rest of the stay
- when you are coming back

Postcards include a lot of information in a small number of words, so remember to include all the points in the task and to use informal language and contractions (*saīsinājumi*)!
