

## FILL THE GAPS

Build a \_\_\_\_\_ and gather 'round the \_\_\_\_\_  
Fill a glass and maybe come and sing with me

So kiss me under the \_\_\_\_\_  
Pour out the wine, let's toast and pray for December \_\_\_\_\_  
I know there's been pain this year, but it's time to let it go  
Next year, you never know  
But for now, Merry Christmas

We'll dance in the \_\_\_\_\_ while embers glow  
We've both known love, but this love we got is the best of all  
I wish you could see it through my \_\_\_\_\_ then you would know  
My God, you look beautiful right now  
Merry Christmas

The fire is raging on  
And we'll all \_\_\_\_\_ along to the song  
Just having so much fun  
While we're here, can we all spare a \_\_\_\_\_  
For the ones who have gone?  
Merry Christmas, everyone
