Today is Friday. Susan is going to the theatre every Friday, but today she not want to go. Why? She works on a new project for her TV programme now and she write some ideas for her show. She usually is working with Molly. She is her personal assistant, but today is exceptional: they never are working on Froday. On Fridays and Saturdays Susan is prefering to go out, but she often is staying home on Sunday and is organising her work for the week. She is having a great time with her show at the moment.

7.30 е в една петъчна вечер и аз седя на компютъра. Обикновено излизам с приятели в петък. Обикновено сядаме в кафене и след това отиваме на кино. Винаги се забавляваме много. Но аз не се забавлявам днес, защото гледам малкия си брат. Родителите ми са на ресторант. Те вечерят с няколко приятели. Моят малък брат гледа видео в хола в момента. Любимото му видео е и той го гледа постоянно. Всичките ми приятели са навън сега. Играят футбол. Всички се забавляват, освен мен.
