Where dreams come true

MY FURTURE DREAM

Sample essay:

My Dream is to be a scientist I like to perform experiments. I want to make a big discovery through my experiments and become the greatest scientist in the country. I also want to win a Nobel Prize.
I will be a good scientist because I am good at thinking logically. This is very important for a scientist
However, I am sometimes a little careless. I need to pay attention to details to be a good scientist.
