When We _____Young

Adele

You look like a movie
You sound like a song
My God this reminds me, of when we _____ young

Let me photograph you in this light
In case it is the last time
That we might be exactly like we were
Before we realized
We _____ scared of getting old
It made us restless
It _____ just like a movie
It _____ just like a song

I _____ so scared to face my fears
Nobody told me that you'd be here
And I'd swear you moved overseas
That's what you said, when you left me

You still look like a movie
You still sound like a song
My God, this reminds me, of when we _____ young

Let me photograph you in this light
In case it is the last time
That we might be exactly like we _____
Before we realized

We were sad of getting old
It made us restless
It _____ just like a movie
It _____ just like a song

When we _____ young
(When we _____ young)
