Read and choose the correct answer.

It's a school day today and we are at break time. There are many pupils inside the classroom. Look! At the yellow table, Trang and Nhung are drawing a picture of a flower vase. There, at the blue table, three pupils: Mai, Hoang and Nam are making paper things. They are making paper planes, paper houses and paper boats. At the red table, there are two pupils - Ninh and Nga. Nga is making a puppet and Ninh is reading a text. And here, at the white table, my best friend Hoa is writing a dictation and I am watching a funny video about pets. They are so cute. In the school yard, some boys are playing sports. Today they are playing badminton and football.
