Playing a good video game is an exciting experience. Games are full of light, sound, action and surprises, and this makes them fun to watch as well as to play. Because of this, more and more people are taking part in eSports. This is the short name for electronic sports – playing video games against other people in competitions. There are huge tournaments all over the world, where big crowds watch matches on giant screens, and millions more watch online.

Just like many normal sports, eSports players usually play in teams, and have fans who follow them through every competition. Prizes for important eSports competitions are very large, and eSports champions can earn more than £1 million a year. That makes it sound like a great job, but in fact it's not easy to be a winner. Players have to practise for up to 14 hours a day, so they don't get much rest. The games they play change often and there are always new things to learn.

ESports stars are not well known in the way that some football stars are. However, some top eSports players now work for real football teams. For example, Koen Weijland, a professional player of the football video game FIFA, is part of Ajax, a famous Dutch football team. As a little boy he wanted to be a footballer and was a big fan of Ajax, so for him this is like a dream come true. And who knows, maybe one day, eSports stars like him will be as famous as today's top footballers.

1 What does the writer say about eSports in the first paragraph?
- **A** They are more fun to watch than to play.
- **B** They are becoming more popular.
- **C** Most people don't understand them.

2 What is hard for top eSports players?
- **A** They don't have a lot of free time.
- **B** They don't make much money.
- **C** They get bored of playing video games.

3 What is the writer doing in the third paragraph?
- **A** explaining why eSports stars are not famous
- **B** showing how eSports and normal sports can come together
- **C** describing the daily life of an eSports star

4 What is a 'dream come true' for Koen Weijland?
- **A** meeting some famous footballers
- **B** winning a video game competition
- **C** working for his favourite football team

5 What is the best title for this article?
- **A** Are eSports a good thing?
- **B** The history of eSports
- **C** What are eSports?

THREE *UNUSUAL* HOMES

SARAH

My home is a houseboat on a river. My parents and I have lived here since I was four, and I can't remember living anywhere else. Lots of my friends live on houseboats too, so it feels normal to me. We haven't got much space, but we don't mind – it's enough for us. Visitors love staying here and are surprised by how comfortable it is. They always sleep really well and love being on the water.

ANDREA

My friends at school think my lighthouse home is very cool. I like it, but it's not easy living here. The rooms are round, so it's hard to fit furniture in, and they're not very big. Also, my parents have to drive me everywhere as we are so far from town. The sea is only about 10 metres away, so it gets very exciting when there is a storm. But the building is very strong, and I never feel afraid.

TRUDI

My dad built our house. It took him four years because he did most of it by himself. The sides and the top are covered with earth and grass, but the front of the house has big windows. Lots of light comes in and it's lovely and quiet. There's always lots of fresh air, too. When I am at my friends' houses, I often get too hot and want to open a window.
