

THE BIG NIGHT (You get what you give – New Radicals)

Wake up,

We got the dreamers disease

Age , they got you down on your knees

So polite, we're busy still saying

But when the is falling

You cannot find the

You feel your are dying

Hold tight

You've got the in you

Don't let go

You've got the music in you

One left

This world is gonna pull through

Don't give up

You've got a reason to

Can't forget

We only get what we
