Santa's Coming for Us

Sia

Nights are getting shorter now

_____ fills the air and Christmas cheer does too

Picking out your _____, so lovely

The joy this time it brings to you

Santa's coming to town

Sing it to the _____ in the sky

Sing it as they jingle, jingle, jingle tonight

Sing it to the _____, set it free

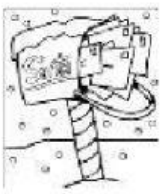

You're the _____ on the top of my tree

Sing it to the spirit above

Sing your _____ out with all of your love

Santa's coming for us

Send your _____ off to Santa, baby

Tell him all your secret wishes too

Send your _____ off to Santa, baby

Hoping all your wildest dreams come true
