

Completa la línea de tiempo con las fechas y lo que sucedió en cada momento de tu historia de vida. Rellena las flechas con fechas (empieza el día de tu nacimiento) y finaliza en el momento actual. Cuenta qué sucede en cada momento.

The worksheet features a central horizontal timeline consisting of six connected arrow shapes pointing to the right. Above the timeline, there are three large, empty, rounded rectangular boxes. Below the timeline, there are three smaller, empty, rounded rectangular boxes. Each of the three boxes above the timeline is connected to the timeline by a thin line that tapers to a point, indicating that these boxes are intended for notes related to the corresponding arrow segments. The three boxes below the timeline are also empty and are not connected to the timeline, suggesting they are for general notes or reflections.
