

WHAT DID THEY SAY?

Watch the video and complete the conversation. Then practice it.

Dr. Smith is examining Peter to find out why Peter doesn't feel well.

Dr. Smith: So, do you go swimming every day ?

Peter: No, not every day. three times a

Dr. Smith: I think I the problem.

Peter: Is it ?

Dr. Smith: Oh, You have some
wax in your ear, probably you swim so much.
I'm going to you some ,
and you should feel in a week.

Peter: OK. good.

Dr. Smith: I'm going to give you some and
some pills. one pill breakfast.
Use the ear drops before

Peter: One pill the morning, ear drops night.

Dr. Smith: That's !
