Do you go to the circus? Do you like going there?
What do you like about it?

1 Write in your notebook the family words

A FAMILY BUSINESS

Ben Crawford's family is different from other families. All the family members are trapeze artists in Circus Zazel. "Circus Zazel is a family business," says 15-year-old Ben. "I **have** one brother and one sister. My brother's name is George, and my sister's name is Francesca. We're all trapeze artists like my mom, Jill, and my dad, Harry. My dad's parents—my grandparents—Nancy and Fred, are now retired. They were the circus clowns!"

Ben, George, and Francesca also **have** an aunt, uncle, and a cousin who work in Circus Zazel. "Aunt Jane and her husband, Rob, are jugglers. Their son, Alan, is an acrobat. Alan is an only child," says Ben.

Do Ben, his brother, sister, and cousin go to school? Yes, they do. Ben's mother is their teacher. They **have** lessons every morning in their caravan. What about school friends? "I **don't have** any school friends," says Ben, "but I **have** a lot of circus friends, and that's cool."
