

WHO AND WHICH

1. Join the two sentences using who or which.

I'm going to meet an actor. I saw him in a film on Saturday.

It was a very boring film. Your friend chose it from the programme.

We love our house. My Granddad built it 30 years ago.

She is a beautiful girl. I want to invite her to my party.

I haven't finished the book. I bought it last week.

My little brother has seen a flying witch. He tried to kill her.

2. Fill in the sentences with who or which.

 $oldsymbol{x} (\mathbf{x}) (\mathbf{x})$
