

**Listen to the song about Al's Sofia  
and complete the spaces**

Last week Al was in Rome  
But he              alone...  
with Sofia!

Did he              a good time?  
And was everything fine?...  
with Sofia!

Did he              museums?  
Or the Colosseum?...  
with Sofia!

                    he call her 'my dear'?  
Did he              souvenirs?...  
with Sofia!

Yes, he              all these things  
Now he's happy and sings...  
...with Sofia!
