B. Read the article about Christmas.

December is always a very busy time for Father Christmas Senior. He does a lot of things. He opens and reads many letters. He writes long lists of toys and children´s names. He buys lots of presents for the children and wraps them. He puts them on the sleigh and takes them to the children. Father Christmas Senior cannot do this all alone. He has many helpers. They help him to read and write letters, to buy and wrap presents. They put them on the sleigh and take them to houses all around the world.

This year Father Christmas Senior is really happy with his helpers, but he looks unhappy when he thinks of Father Christmas Junior. He doesn´t help with the letters. And he doesn´t help with the presents. "Why don´t you help me? Why are you so lazy?" Father Christmas Senior asks.

"I´m sorry, but I can´t." Father Christmas Junior says to Father Christmas Senior. "I´m writing new computer games." Now Father Christmas Senior looks very unhappy. He shakes his head and goes back to wrap some more parcels.

On Christmas Eve Father Christmas Senior is ready to go round the world on his sleigh. The sleigh is full of parcels for all the children in the world.

Suddenly one of the helpers comes and says "Father Christmas Senior! We need computer games! We need computer games for four hundred and twenty-seven children."

„Oh dear, oh dear," Father Christmas Senior says, "we cannot buy them now. It´s too late. All the supermarkets are closed. What can we do?" He looks at his helpers and he is very, very unhappy.

"I know what you can do," Father Christmas Junior says. "You can give them my new computer games. I´ve got lots and lots of them."

Father Christmas Senior looks at his son and smiles. "What a great idea! I´m very proud of you, Junior."

Two weeks later Father Christmas Senior gets four hundred and twenty-seven thank-you letters.
