Read the following passage and mark the letter A, B, C, or D on your answers sheet to indicate the correct answer to each of the questions from 35 to 39.

For the first time ever, an Iraqi University has been listed among the best universities in the world. The University of Baghdad has made it onto the Times Higher Education World University Rankings. This an annual list of the world's top 1,250 universities for research and development. The University of Baghdad has been ranked in the range from 801 to a thousand on the list of best universities. Phil Baty, the editorial director of the Times, stated that the university had "distinguished" itself for having a "very strong international cooperation". He said the University of Baghdad had played an **integral** role in the reconstruction of Iraq after its recent conflicts and internal strife.

The University of Baghdad (also called Baghdad University) is the largest university in Iraq and the second largest in the Arab world, behind the University of Cairo. **Its** roots go as far back as the year 1067, when it was known as Abu Haneefa. The first of the university's modern departments was founded in 1908. It was formally established as the University of Baghdad in 1956. It managed to stay open throughout the invasions and occupations of Iraq during this century. The ranking on the Times list is seen as a prestigious accolade by many of its academics and students. One student said: "I am so proud of Baghdad University. It means the world to us to be held in such high esteem."

35. The word **"integral"** in paragraph 1 is closest in meaning to _____.
A. positive B. important C. helpful D. negative
36. Which of the following is NOT true about the University of Baghdad?
A. It used to be called Abu Haneefa.
B. It is the largest university in Iraq.
C. It is smaller than one university in the Arab world.
D. It is at the top list of best universities in the world.
37. Which of the following statements is TRUE?
A. The University of Cairo is located in Iraq.
B. The University of Baghdad has appeared on the list of best universities before.
C. The University of Baghdad was first established in 1067.
D. There are 1,200 universities on the list of best universities.
38. The word "**Its**" in paragraph 2 refers to _____.
A. the University of Baghdad B. Arab world
C. Iraq D. the University of Cairo
39. What can be inferred from the passage?
A. The University of Cairo is the largest university in the Arab world.
B. The first of the University of Baghdad's modern departments was founded in 1956.
C. Other Iraqi universities have been listed among the best universities in the world.
D. The university was formally established as the University of Baghdad in 1067.
