We should arrive in the camping area at about 2pm, which will give us enough time to buy the food we need in the local supermarket and then go to the area where we will set up the tents, which is a long way from town.

2. The tents will be set up near the supermarket.

There will be a total of four large tents put up and each tent will have a tent leader, a person who went on this trip last year and therefore has the necessary experience. If you have any problems during the two days, you should always go directly to your tent leader and speak to him/her.

3. Some of the people going camping this year also went last year.

We are not expecting there to be very bad weather this weekend in Scotland, but the weather situation in the Scottish hills is always very unpredictable and for this reason, we have advised everyone to take wet weather clothing with you. If windy, stormy weather arrives at the camping area, it may also be necessary to leave the hills and go down into the town.

4. There was very bad weather on the camping trip last year.

It's very likely that your phones will not work in the hills, so you must warn your parents of this. You will be able to use your phones when we are in the town, but not when we are camping. If you have any other questions about the trip, come either to me or Mrs. Sanderson.
