Once upon time there ____ two children and their father. Their father ____ a woodcutter. Once the woodcutter ____ to cut trees, but he ____ come home. The children ____ to go into the forest to find their father. They ____ crumbs on the path. They were walking for a long time and ____ hungry. They ____ to go back home but the birds ____ all the crumbs. They ____ a beautiful house made of sweets. Inside the house a witch _____. She ____ that children were eating her house and ____ angry. The witch ____ Hansel in the cage. She ____ him a lot of food to make him fat. She ____ his finger every day to see if he is fat enough. But the boy ____ a bone, not his finger. Gretel ____ every day. One day the witch ____ to eat Hansel. She ____ Gretel to go into the oven. But Gretel ____ smart and ____ the witch to show how to go into the oven and then ____ the witch there. The children ____ away. And finally they ____ home and ____ their father. And they ____ happily ever after!
