Reading

My Best Friend

My best friend is Emma. We've known each other since 2009, when we met on the first day of dance classes. Emma is medium height, slim and really pretty. She's got long, straight, fair hair and green eyes. She sometimes wears glasses when she's reading, and she's got a piercing in both ears.

Emma is really fun to be with, and she always makes me laugh. When I'm feeling upset, she's there to tell me a joke and always gives me good advice. We share our problems with each other, too. Emma's really good at dancing and acting. So am I.

We share the same interests. We've both enjoyed acting in our local theatre and singing in concerts at school. We like listening to pop music. I'm a fan of Adele, but Emma's crazy about Lady Gaga. I trust Emma. She's very honest and never talks about me to our other friends. We're both really keen on sport, too. I've won a swimming championship, and Emma has played tennis at a junior tennis tournament at Wimbledon.

What's the best thing we've ever done together? We went on holiday to Florida in the US and swam with dolphins!

Lisa, UK

1 Read the text again and decide if the sentences are true or false.

0 Lisa and Emma have known each other for a year. ***False***
