A Bright Work Day

My father has a great job at one of the best kitchens in a hotel in Bahrain. He is a daytime food tester, and he mostly works at night. His job is mostly done in a kitchen, but sometimes he works in other places like wedding halls. He starts his work early in the morning. He tests the food for the breakfast meal and tests different kinds of juice. He also checks the amount of sugar in different drinks. Then, he smells, and tastes vegetables and fruit arranged for lunch, and he sometimes has to go to markets to buy the good ones himself. He tests boiled, fried, and grilled food, and gives advice to the chef. In the early evening, he starts checking the food for dinner. He tests everything like salad, bread, soup, and sweets. My father says, 'I love food, and I love my job!'
