1 Listen to the song and read the lyrics.

Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special

Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special

Once bitten and twice shy
I keep my distance
But you still catch my eye
Tell me, baby
Do you recognize me?
Well, it's been a year
It doesn't surprise me

Merry Christmas

I wrapped it up and sent it
With a note saying "I love you"
I meant it
Now I know what a fool I've been
But if you kissed me now
I know you'd fool me again

Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special

Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special

Oh, oh, baby

A crowded room
Friends with tired eyes
I'm hiding from you
And your soul of ice
My god, I thought you were someone to rely on
Me? I guess I was a shoulder to cry on

A face on a lover with a fire in his heart
A man under cover, but you tore me apart
Now I've found a real love. You'll never fool me again

Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special

Last Christmas
I gave you my heart
But the very next day you gave it away
This year
To save me from tears
I'll give it to someone special

A face on a lover with a fire in his heart
I gave you my heart
A man under cover, but you tore him apart
Maybe next year I'll give it to someone—
I'll give it to someone special

I stayed in San José for six days. The hostel was good. It's near the city centre and the modern art museum. I shared a room with nine other people. The room was clean and the other people were nice to talk to. The café in the hostel was OK and sometimes there was a band.

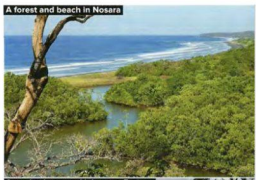

TIERRA MAGNÍFICA $365/night 5/5
We went to Nosara last December. We stayed in this small five-star place. It's in a forest, but you can see the beach from the hotel. There weren't a lot of people. It was quiet. The service and the food were great. We loved it.

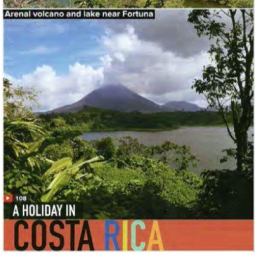

HOTEL REGINA $38/night 4/5
This great place is in the centre of Fortuna and we had a view of the Arenal Volcano from our room. We didn't have dinner in the hotel. There was a nice restaurant in the same street.
