3 Read about the Duncan family's holiday. What was different about this New Year for them?

Thursday 31 December

We went shopping in Chapel Street – it has lots of interesting shops, restaurants and cafés. The weather changes all the time here. It's hot and sunny one minute and then it's cold and rainy. We went to a big New Year's Eve party in a park in the evening. The children loved the fireworks.

Friday 1 January

Australia is 11 hours ahead of Scotland. New Year arrived early this year! It's also summer time here and it's very different to have New Year in the sun. I like the snowy, cold weather in Scotland at New Year, but in Melbourne it was very hot today and it didn't feel like New Year. Everyone went to the beach!
