Read the information about school trips from a website.

Choose the best word for each gap.

School Trips to Chocolate World

Bringing children to Chocolate World is not only fun, it is also good for their (1) Our organised school trips are carefully planned to support many areas of the primary school (2), including history, geography and technology. Children will learn all sorts of interesting (3) about cocoa, the plant whose bean is the main ingredient of chocolate. They will (4) where and how it is grown, how it was used in the past, and why it is still so important today. They will also be (5) how chocolate is made and will be able to see the machines working in our factory. To (6) fully from the trip we suggest teachers also book a talk (7) can be given on a variety of topics to suit the needs and interests of the group. Included in the price of the trip are worksheets for students to complete as they go around the exhibition. Teachers (8) older students are welcome to create their own worksheets. For more information, or to make a booking, please call 020 8891 7630.

1 instruction / education / training
