Do you think that a child's life was different in the past? I asked my dad and grandpa.

Dad

When I was a boy I helped my mum with jobs in the house every weekend. She gave me 50p when I washed the car or I tidied the living room. It wasn't a lot of money, but I did many jobs! When I had the money, I bought an expensive football. It was really cool and all my friends liked it.

Grandpa

My family was poor, so there wasn't any pocket money! But I wanted some money, so I got a Saturday job at a restaurant. I washed the dishes and the floor, and I put the plates on the tables. I made a lot of money and when I was sixteen I bought a bicycle. I went everywhere on that bike!
