B. READING

I. Read and decide to True (T) or False (F)

Hello! I'm Sarah. I'm eleven years old. This is my sister. She is Annie. She is in grade 3.

In the morning, she often gets up at 6:15 am and has breakfast with bread and eggs. I don't like eggs, so I often eat bread and milk for my breakfast. At 6:45 am, we catch the bus to go to school together because we study at the same school.

In the afternoon, we stay at school and have lunch in the schoolyard. Our classes begin at 2 pm, so we have to sleep in the restrooms. We like reading books at the school's library after classes. Then, we go home at 5:30 pm.

In the evening, we have dinner with our family. Then, we do our homework and go to bed at 10 o'clock.
