Hi, I'm Richard. I'm going to talk about my job. For most people, a job means they get up at 7:00 am and drive to work by 8:00 or 9:00 am. Later, they have lunch at noon, and then they start work again at 1:00 pm. Finally, they finish work at about 5:00 pm and then go home and have dinner with their family. That kind of job is okay for most people, but my job is special and I love it. I'm a pilot. That's mean I don't drive to work, I fly! I fly to many different destinations in the world and I have friends in many countries. My best friend lives in Japan and we keep in touch by Facebook and email. When I'm in Tokyo, he always invites me too have dinner with him and his family. My wife and two children live in New York and I usually stay far away from them. Sometimes I miss them very much.
