Hello everyone!

My name is _____. Today I'm going to tell you how to make chocolate chip cookies.

You need: butter, white sugar, brown sugar, two eggs, **vanilla (va-ni-la) extract (eck-s-tract)**, baking soda, hot water, **salt (solt)**, **flour (flower)** and chocolate chips.

First, turn on the **oven (uh-vuhn)** to **350 (three hundred and fifty) degrees (di-GRI-s)**

Next, mix **together (two-ge-duh)** the butter, white sugar, and brown sugar in a bowl.

Then, add the eggs.

Next, add the vanilla extract.

Then, put the baking soda in **another (uh-no-duh)** bowl and add the hot water. Mix the butter, white sugar, brown sugar, eggs and vanilla extract into the hot water and baking soda.

Next, mix in the flour and chocolate chips.

Then, make 10 balls and put on a baking tray.

Next, put the baking tray in the oven for 10 **minutes (mi-nit-s)**.

Last, take out of the oven and put on a plate to cool.

Thank you for listening.
