

NOMBRE.....

Completa el siguiente camino de sumas y restas.

A winding path of math boxes is shown, starting from a box with the number 2 at the top. The path proceeds through several boxes containing arithmetic operations and numbers, ending at a shaded box with the number 10. The path is surrounded by Toy Story characters: Woody and Buzz Lightyear on the left, Forky on the right, and Mrs. Potts with her sheep on the bottom right.

The path consists of the following boxes in sequence:

- 2
- +2
-
- 1
-
- +3
