FILM REVIEW

Crime Does Pay, the **(1)** _____ comedy from director Sam Martin, has to be one of the **(2)**_____interesting films I have ever seen. The acting is terrible and the story is much **(3)**_____ than Martin's other flop, *Escape*. *Crime Does Pay* apparently **(4)** _____ expensive than any other film this year, but it's hard to see where the money went. The plot concerns a gang of burglars who decide to steal the **(5)** _____ valuable painting in the world. Fine, except these criminals are far **(6)** _____ amusing than they should be. There isn't a single real laugh in the whole movie. When I saw it, even **(7)** _____ members of the audience thought it was stupidly childish. Dean Richards, playing Scarnose, does a slightly **(8)** _____ job than the others, but there isn't much in it. When will Hollywood realise that as ticket prices get **(9)** _____ , more people are finding that the **(10)** _____ form of entertainment is to spend an evening at home with a DVD?
