

This worksheet is designed for practicing counting and grouping sticks. It consists of three rows of boxes, each containing a set of sticks. The first row has four boxes, each containing 10 sticks. The second row has four boxes, each containing 10 sticks, with the first two sticks in each box bundled together with a red band. The third row has two boxes, each containing 10 sticks, with the first three sticks in each box bundled together with a red band. A cartoon character of a man in a red cap and jacket holding a sword stands on the right. The page is decorated with a border of small squares and a central vertical column of small squares.
