Dear Sir/Madam,

I am writing to express my disappointment with your service. I have been a faithful customer for years but I am afraid I have to cancel my subscriptions because my favorite channels such as Disney and Fox are no longer available.

Yours faithfully,

Roger Bingham

Dear Admin,

My Internet connection has been slow all morning. This has caused me to lose some businesses. It would have been helpful if you had informed your customers about problems like this beforehand.

Dear Sir/Madam,

I have filed a request for a subscription migration three weeks ago. But, I have not got any follow-ups from your staff. I need the Internet for my study and would prefer to end my subscription if your company cannot have the Internet connection at my new place within two days.

Thanks

@imastudent

Dear ...

Please accept my apology for the late follow-ups for your subscription migration. I have contacted the related staff and I am happy to inform you that the technician would be able to visit your house to finish up the final installation. Please let me know what time is good for you for this visit.

Best regards,

Mindy

Dear ...

Please allow me to apologize for your inconvenience. We have checked your account and there have been technical problems with our connection in your area. We have sent an email regarding this issue earlier today. Your Internet should be working well around 4 p.m. However, if the problem persists after 4 p.m please let us know.

Yours Faithfully,

Greg

Dear ...

We would like to apologize for the inconvenience. However, the two channels you mentioned are not included as add-ons. We would be happy to help add them to your current package for an additional IDR75,000/month. Is this something you would consider?

Best regards,
