My family live in a flat so it's great for me to have a garden at school. Volunteers can take some vegetables home too, so my parents are very happy that I like working there.

My aunt and uncle live on a farm in the Red River Delta. It isn't very big but they have hens, pigs, and cows. We always go to stay with them in summer. It's a beautiful place and the food is amazing. All the vegetables are so fresh and, because the farm is organic, we know they are healthy, too.
