A: I remember you were living in a bedsit last time I saw you. Are you [redacted] living there, or have you found a new place to live?

B: No, I'm not living there [redacted] more. [redacted], I'm sharing a flat with another student.

But I'm having a few problems with my flatmate at the [redacted]. We got on really well at first, but things aren't going so well these [redacted]. In fact, we're no [redacted] speaking to each other.

So I'm [redacted] looking for somewhere else to live. Do you know anybody with a spare room?

A: Well, I'm actually looking for a new flatmate [redacted] now. My sister's staying with me [redacted], while she gets a new kitchen installed in her flat, but her room will be empty again next week. What do you think? Would you like to stay with me?
