### My house by Karen Willis

My house is big and it's very beautiful. There are four bedrooms in my house. My bedroom is a big, purple room. There's a small bed next to the door and there are two big armchairs in front of the window. There aren't any posters on the walls, but there are lots of photos. I'm in the kitchen now. There's a cooker in the kitchen, but there isn't a washing machine. The washing machine is in the basement. My favourite room is the living room. There's a big, black fireplace in the living room. There's a small, white rug on the floor in front of the fireplace. It's a beautiful room.
