

## Instructions to use a bilingual dictionary.

*Instructions: Listen the audio and write the correct number on the line.*

\_\_\_\_\_ **Next**, identify the meaning of the word, don't use the first translation to find. Read all the translations and examples sentences of the word.

\_\_\_\_\_ **After that**, decide which translation is related to the word and check what part of speech the word is and think about the context of the word in English.

\_\_\_\_\_ **Second**, go to the English section of the dictionary.

\_\_\_\_\_ **Fourth**, use the guide words to find the correct page.

\_\_\_\_\_ **First**, open the dictionary.

\_\_\_\_\_ **Then**, look for the correct letter of the alphabet.

\_\_\_\_\_ **Finally**, copy the translation and close the dictionary.
